

# 'Make it'

## Container Characters Recycling Fun!

You will need,

- Large plastic milk or drink bottle
- White acrylic Paint
- Scissors
- Pens

How to make

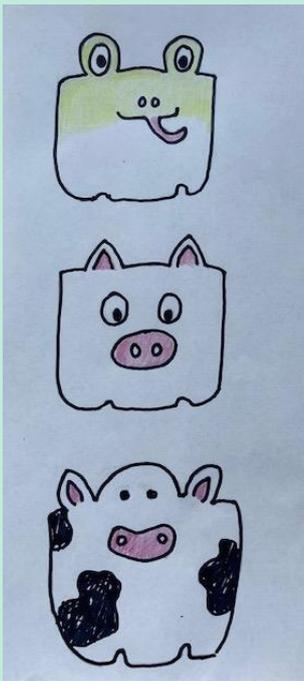

- Draw a line about halfway down your bottle and include the ears if you need them in your design.
- Cut out.

- Paint your container with Acrylic paint
- Hint - you can paint the inside or the outside.
- We painted the outside so that the inside was waterproof to put plants or grow seeds in!
- Make sure it is dry before you add your Character face.

- Draw on your face with pencil to make sure its in the right place and then finish with pens.
- You are done!

- Why not try these other animal faces or think of some of your own!
